3. To provide a network which may be used to quickly provide information about matters of concern to the membership and to address those matters effectively.
4. To provide a structure to increase opportunities for cooperative procurement among institutions of higher education.
5. To create opportunities for small, minority, woman-owned, and other diverse businesses to participate in procurements and contracts.
6. To promote professional development and procurement certification among Association members.
7. To elevate awareness of higher education's outstanding procurement programs and professionals.
8. To monitor and positively contribute to legislation which impacts higher education and statewide procurement through the appropriate means available to the Association.

9. To develop and apply procurement procedures for institutions of higher education, in accordance with the Procurement Manual for Institutions of Higher Education and Their Vendors.
10. To undertake such other activities as may be beneficial to the Association and its members.

To support these purposes, the members and associate members (if applicable) enacted a Statement of Responsibility, dated March 22, 2022. This Statement serves as a standard for each Institution's participation in and responsibility to the Association.

Each meeting shall be held on a date and at a location (which may be virtual) as determined by the Board of Directors of the Association.

Membership dues for the next fiscal year, if required, may be established by the Association at the last regular board meeting and shall be due by July 31 of that fiscal year.

To provide continuity and effectiveness in the transfer of responsibilities, Officers shall maintain records pertinent to their office which shall be transmitted to their successors at the end of their term of office. New Officers shall be installed by the Immediate Past-President of the Association or if unavailable, the Chairperson of the Nomination Committee, during the last regular meeting of the fiscal year.

Section 3. Vacancies

The Nomination Committee shall select a representative from the Board of Directors to serve the unexpired term when an Officer Vacancy occurs.

Section 4. Nominating Committee

The Immediate Past-President shall serve as the Chairperson of the Nominating Committee (the "Chairperson"). If the Immediate Past-President is unavailable to assume this role, the Board of Directors will appoint the Chairperson. No more than four other members of the Nominating Committee members shall be appointed by the Chairperson. Volunteers may be accepted by the Chairperson to serve on the committee

The Nominating Committee shall identify candidates for the slate of officers. The Chairperson shall ask the candidates if they would be willing to serve. A precise description of duties (as follows) of Office shall be presented to each potential candidate. The Nominating Committee shall then select and present a slate of Officers to the Board of Directors. Such selection shall be made prior to the last regular meeting of the fiscal year, or as soon as practical thereafter.

The Chairperson shall place the slate of the candidates in nomination during the meeting and accept nominations from the floor. If there are no nominations, the candidates shall be elected by acclamation. If there are other nominations, a vote of the Board of Directors shall be taken by secret ballot and the Officers selected by a simple majority. The remaining Officers will be elected by acclamation.

The Association shall endeavor to maintain a balance among its Officers, with representation from a cross section of the eligible membership. The Chairperson shall provide leadership in this regard.
