

The Virginia Association of State College and University Purchasing Professionals (VASCUPP)

2024–2029 Strategic Plan

Mission

Provide collaborative leadership, innovation, and strategic procurement solutions that add value, diversity, and efficiency to meet the unique needs of higher education in Virginia.

Vision

Serve as a leader and trusted advisor in strategic and innovative solutions for higher education procurement.

Goals

1 Streamline public procurement procedures, process, and communications to identify collaborative opportunities and share best practices.

2 Utilize and incorporate emerging technologies to optimize resources, drive sustainability, and ensure maximum strategic procurement value.

3 Be an ethical role model to peer institutions and a trusted advisor to stakeholders to convey an understanding of leading practices in higher education procurement.
